

Covid-19 Protocols for Fall Back Falls Creek Conference Center October 16-17, 2020

FOR GROUPS:

- All participants should be free of Covid-19 symptoms for at least 10 days previous to the event.
- Group leaders should take the temperatures of all participants to ensure no one has a fever before departing for the event.
- **Masks should be worn during all indoor sessions and activities.**
- Masks are encouraged to be worn during transportation to and from the event.
- Group participation should be limited to 50-75% of the group's cabin capacity for distancing purposes.
- Group leaders should ensure cabin is disinfected before and after the event.
- Groups will be seated together, but distanced from other groups within the tabernacle.
- All participants should wash their hands frequently throughout the day and social distance when possible.

FALLS CREEK:

- All "indoors" Falls Creek personnel will be wearing masks during their duties.
- We will provide a controlled entry to limit the possibility of large groups gathering for tabernacle entry. Groups should utilize following guidelines:
 - All groups should approach the tabernacle in groups and enter together, maintaining distance from other groups.
 - The only entry points will be the north and south entries of the tabernacle.
 - Groups staying in cabin numbers: 100s, 200s, 300s, and 400s
 - Use the south entrance. That is the main entrance with the waterfall lobby.
 - Groups staying in cabin numbers: 600s
 - Use the north entrance.
 - Groups staying in cabin numbers: 500s and 700s
 - Use either entrance.
- Signage and floor decals for social distancing will be present in the 1917 Café and Gift Shop. Please observe these distances for safety.
